To Whom It May Concern:

I am writing this letter on behalf of the grade 6/7 students attending Arthur Stevenson Elementary School in Kamloops, BC. We are hosting a Chili night fundraiser featuring a talent show, dinner, bake sale, silent auction and a cake walk in our school gymnasium on Wednesday, February 11, 2015.

At this event, we are hoping to raise enough money to send 90 students on our annual year-end field trip to the Eagle Bay Camp in Sorrento, BC.

In the past, with the help of our school and business community, this event has been a huge success. We would like to know if you would be interested in supporting our fundraiser by donating an item/s for our silent auction such as a promotional product or a gift certificate.

Our students have worked tremendously hard this year and have shown great leadership in and around the school. The year-end field trip is to celebrate their successes in school and reward them for their hard work, dedication and leadership.

Arrangements can be made to pick up any donated items by February 5th, 2015. If you would like more information about this event, please contact me during school hours at 250.579.9284 or via email at rstyles@sd73.bc.ca.

Auction items can also be dropped off directly at Arthur Stevenson Elementary School, 2890 Bank Road, Kamloops, BC.

We appreciate you considering our request.

Sincerely,

A handwritten signature in black ink, appearing to read "Roy Styles".

Roy Styles

Grade 6/7 Teacher
